

Tune Book Harmony

A listing of all the tunes in the 2015, 1987 and 1953 (with supplements) Salvation Army
Tune Books

Introduction

This document lists all of the tunes included in the last three editions of the Tune Book of the Salvation Army. This list is mainly intended for use by bandmasters and other worship leaders as a means of finding tunes that may be referenced by tune book number in older compositions. Please note that the inclusion of a particular tune in multiple editions does not imply that the arrangements are compatible, particularly between the 1953 and 1987 editions.

Copyright Notice: This list is the product of many hours of work in compilation and data entry. It is freely given into the public domain and may be copied and used in any way. However, an acknowledgment of the original source would be appreciated for any such use.
